THE "ROLL-A-WEIGH" . . .

You Can Use It
Anywhere
and
Everywhere!

This portable scale features a 758C weight indicator that mounts on the scale, a wall or desk for convenient viewing and includes a 10' cable. The built-in wheels permit the scale to be rolled by maintenance personnel anywhere it's needed. Integral handles make it easy to lift and lower into position. Setup is simple and quick with the "Roll-A-Weigh's" self-aligning feet. Heavy-duty construction, the large platform with wheelstop, integral ramp, and the 500 lb or 1,000 lb capacity makes this the perfect scale for weighing dialysis patients, walk-ons, or patients in manual or power wheelchairs.
