

DETECTO Introduces

MS Series Mailroom and Shipping Room Scales

- Loaded with Capabilities
- Low Cost

Model MS-30

Now you *can* have a full range of capabilities in a scale that meets your budget. The **MS-15** (capacity: 15 lb), **MS-30** (capacity: 30 lb), **MS-100** (capacity: 100 lb), and **MS-1600** (capacity: 100 lb) make parcel control affordable with this selection of features:

- Fully Supported USPS and UPS Services
- Zip to Zone Conversion
- Manual Weight Entry
- Standard Output for Postage Meters
- Piece Count for Bulk Mail (not for "Legal for Trade" use)
- Full, Color-Coded Numeric Keypad
- Delta Weigh (subtractive weighing)

Versatility and Economy. . .Detecto Offers Both in the MS Series Scales

Until now, if you wanted a mailroom or shipping room scale that could "do it all," you had to pay dearly. DETECTO has combined all of the special, in-demand features in a unit that is so economically priced, even small shipping departments can afford the conveniences the "big boys" enjoy.

DETECTO's MS Series Shipping Scales fully support all USPS and UPS services, provide zip to zone conversion, manual weight entry and piece count for bulk mail. With a color-coded numeric keypad that's easy to use and to clean, these units also feature an easily replaceable rate cartridge.

For fast pace mailroom processing, DETECTO's Delta Weigh feature weighs and rates mail automatically. You really benefit from the brilliant, easy-to-read, 1/2" high digital display and the sealed keypad that wipes clean. LED key annunciators identify chosen service functions at a glance.

DETECTO's MS Series Scales feature clean lines and low-profile, compact design.

USPS-Supported Services

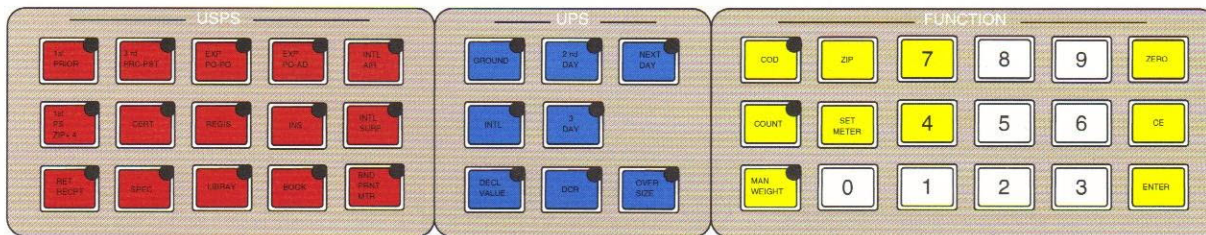

1st Class/Priority Standard	Bound Printed Matter	Insurance
Express Mail PO-PO	Special Standard	COD
Express Mail PO-Addressee	Special Delivery	Library
